Dear Artist,

NetteRadio hosts a monthly showcase called "2nd Friday at the Talking Stick". This is primarily an acoustic based show although we have stripped down bands, keyboards, etc. perform. The show is all ages, no cover, and runs 7-10 pm.

It is broadcast on Ustream.tv/channel/netterradio. The feed is available in both live and archived formats which allow your fans and friends an opportunity to see you perform, wherever you are.

The Talking Stick is a wonderful venue in Venice and the 2nd Friday Showcases are fun! We will occasionally add a beneficiary, such as the Red Cross or 411Gina to help bring awareness to their worthy cause while having a great night of fabulous female fronted music. If you are an artist located in Southern California please contact me about this, or one of the other showcases I coordinate within the region.

Looking forward to playing your music!

Annette Conlon
